**Pharmaceutical Consulting Firm Opens New Headquarters in RTP, North Carolina**

PHILADELPHIA, PENNSYLVANIA, February 05, 2009 - Compliance Implementation Services (CIS), a national Pharmaceutical Consulting firm is proud to announce its expansion into the Research Triangle area. This move represents 5 years of solid growth and continued expansion of their compliance consulting business.

"We are very pleased with our continued growth and client satisfaction over the past few years and want to continue focusing on our client's needs while adding the industries top talented resources to improve our consulting services," said CIS Co- Founder and Vice President of Operations, Jim Collins.

In light of the continued growth of their corporate headquarters in the Philadelphia area, CIS realized the potential in opening a southeastern Sales and Marketing headquarters.

CIS Co-Founder and VP Account Management, Toni Barsh stated, "We are thrilled to be able to manage two strategically located headquarters and continue hiring the best industry experts."

"The opening of this office will provide great access to our pharmaceutical clients and the tremendously skilled workforce in the Raleigh-Durham area".

**About CIS:**

CIS is a consulting firm specializing in establishing a "Culture of Compliance" for pharmaceutical manufacturers. They evaluate, promote and execute effective compliance programs by assessing an organization's compliance policies, procedures and systems. CIS consultants prioritize areas of risk, and create short-term and long-term remediation and monitoring plans. Their goal is to provide an efficient and affordable means of compliance and risk management that is scalable to companies' needs and priorities.
